

Elephants *for* Africa

Conservation through research and education

Tax free giving through your pay

What is Payroll Giving?

Payroll Giving, which is also known as Give As You Earn (GAYE), is the most cost-effective way of supporting Elephants for Africa.

Regular donations ensure that we are able to continue with our work conserving the remaining African elephant. Donating through Payroll Giving means we can make your money go even further.

What happens?

If you choose to give to Elephants for Africa through payroll giving, your employer will deduct your donation from your salary, before tax is taken. This means that your donation will be worth an extra 20% to Elephants for Africa.

So for every £1 you give, Elephants for Africa will receive an extra 20p. Therefore a donation of £1 per month would actually cost you just £0.80*

** at the standard tax rate of 20 per cent*

Who can use Payroll Giving?

Payroll giving is available to everyone who pays UK income tax and who is employed by a UK organisation.

How do I set it up?

To set up a regular donation through Payroll Giving, all you need to do is print off, fill in and return our Payroll Giving Form below and return to:

Elephants for Africa, Waverley, Mantle St, Wellington, Somerset, TA21 8BG
